Dragonscale

... DRAGONSCALE™ metallic cremes — a bold new stroke in figure finishing! These colorful, iridescent cremes give any surface the special glint of real scale metal. We chose colors for our range that are especially suited for finishing ultra-realistic Ral Partha Dragons such as the ones shown and listed on this page.

Using our special sponge applicator, simply apply DRAGONSCALE™ creme lightly to your dragon's scales, and before you know it you'll have created a dragon that's more lifelike, terrifying, and fun than you've ever thought possible!
